About & Strategy

Welcome to Alam Engaz Logistics Company, established in 2011 and based in Dammam, Saudi Arabia. We specialize in comprehensive logistics solutions, including transport services, container storage, and destuffing. Our strategic location allows us to serve various industries efficiently.

We strive to meet global challenges and maintain our position as pioneers in the logistics market. By expanding our services across the supply chain, we provide integrated solutions from A to Z. Through continuous development of our systems, facilities, and staff, and utilizing SAP ERP, we are committed to exceeding client expectations and driving their success.

Vision

Our vision is to be the leading logistics provider in the Middle East, renowned for our superior service quality, innovative approaches, and dedication to customer satisfaction. We strive to set new standards in the logistics industry, leveraging technology and expertise to create seamless and sustainable supply chain solutions.

Mission

Our mission is to deliver exceptional logistics solutions that ensure the safe, efficient, and timely transportation and handling of goods. We aim to exceed our clients' expectations through innovative services, unwavering reliability, and a commitment to excellence in every aspect of our operations.

Our Services

01. Logistics

Alam Engaz Logisticts Service Provider for Ports Services Co. Ltd. has its own dedicated transportation division to facilitate the smooth movement of containers and other cargo from seaport to consignee's premises.

02. Container Storage Yard

Our container storage yard offers secure and spacious storage solutions for your containers. We understand the importance of keeping your goods safe and accessible, and our yard is designed to accommodate a wide range of container sizes. With state of the art security systems and well organized storage facilities, you can rest assured that your containers are in good hands.

04. Destuffing

we provide efficient and careful destuffing services to ensure your goods are unloaded from containers with precision and care. Our team of skilled professionals is trained to handle all types of cargo, ensuring that your products are unpacked and prepared for the next stage of their journey. We take pride in our meticulous attention to detail and our commitment to minimizing any risk of damage during the destuffing process.

03. Transport

We specialize in providing top-notch transport services that ensure your goods are delivered safely and on time. Our modern fleet of vehicles is equipped to handle a variety of cargo, and our experienced drivers are committed to maintaining the highest standards of safety and professionalism.

Comprehensive Logistics Services!

We offer a full range of logistics services tailored to meet your diverse transportation and storage needs:

Customs Clearance

Streamlined customs clearance services to facilitate smooth international trade.

Empty Container Handling & Storage

Efficient handling and storage solutions for empty containers to optimize your logistics operations.

Cross-Border Transportation Across Gcc

Seamless cross-border transportation services within the GCC region, enhancing regional connectivity.

Heavy Equipment Handling & Transportation

Specialized services for the handling and transportation of heavy equipment, ensuring safety and precision.

Project Cargo Handling

Expert management of project cargo, offering tailored solutions for complex logistics projects.

Lashing & Packing

Secure lashing and packing services to ensure your cargo remains intact during transit.

Closed Warehouse & Open Warehouse

Both closed and open warehouse options to cater to various storage requirements, providing flexibility and security.

Container Sale & Container Leasing

Options for container sales and leasing to meet your specific container needs, whether for short-term or long-term use.

We offer efficient, reliable, and customized logistics solutions to support your business. Our professional team is available 24/7, providing continuous updates. With GPS-equipped fleets, we ensure timely deliveries and accurate tracking.
